

STATE OF WASHINGTON
— OFFICE OF GOVERNOR JAY INSLEE —

Greetings from the Governor

June 10, 2023

I am pleased to offer warm greetings to all those attending and participating in the *One World One Seattle* festival.

One World One Seattle has been designed to showcase a wide variety of art forms and world cultures. In addition to an exciting array of music and dance performances, the festival presents a variety of booths with hands-on activities. *One World One Seattle* is free for everyone, and suitable for all ages. This festival offers families an excellent opportunity to celebrate the diverse cultures that make up Seattle's vibrant community.

I applaud Northwest Share for organizing *One World One Seattle* to promote understanding and unity in the community through arts and culture. As you learn about numerous cultural traditions and practices, I hope you savor delectable cuisine brought to you by Northwest Share's unique vegetarian food truck.

Seattle's Office of Economic Development is co-sponsoring *One World One Seattle* with Northwest Share. I have no doubt that this collaboration will benefit not only Westlake Park, but all of Downtown Seattle.

Thank you all for coming, and please accept my best wishes for a memorable day of spectacular performances, excellent food, and fascinating stories at *One World One Seattle*.

Very truly yours,
