Dear friends and neighbors,

I am pleased to welcome each of you attending One World, One Seattle, an incredible event showcasing the cultural diversity of the Puget Sound. It fills me with joy to know that our diverse community is coming together to celebrate and embrace our multicultural heritage.

It is through events like these that we are reminded of the power of collaboration, understanding, and respect for one another's traditions, customs, and beliefs. The rich tapestry of cultures in the Seattle metropolitan area adds vibrancy and depth to our neighborhoods, making it a truly global community. By coming together in this celebration, we are reinforcing the bonds that connect us and fostering a sense of belonging for all.

One World, One Seattle serves as a powerful reminder that diversity is our strength. It is through understanding and embracing our differences that we can build a brighter and more harmonious future for all. As we gather to celebrate our shared humanity, let us take this opportunity to forge new friendships, learn from one another, and appreciate the beauty that resides in our collective heritage.

I would like to express my heartfelt gratitude to the organizers, volunteers, and participants who have dedicated their time, efforts, and resources to make this event possible. Your commitment to creating an environment where everyone feels valued and appreciated is truly commendable. By providing a platform for cultural exchange, artistic expressions, and community engagement, you are fostering a sense of harmony and promoting a more inclusive society.

Please accept my warmest regards for this joyous occasion. Wishing you all the best for a successful celebration.

Sincerely,

Manka Dhingra
